

Dynamical Change Newsletter

Focused on building resilience and thriving in complexity

Hi,

Welcome to the inaugural newsletter! I'm glad you're here.

Making Better Decisions

A video player interface showing a 'Landscape Diagram' slide. The slide features a graph with 'agreement' on the vertical axis (ranging from 'close to' at the bottom to 'far from' at the top) and 'certainty' on the horizontal axis (ranging from 'close to' on the left to 'far from' on the right). A blue dot is positioned in the middle of the graph, with a red play button icon overlaid on it. A curved arrow points from the left towards the dot. The video player includes a small inset of the speaker, Ahmed A. Alkhatib, in the top right corner. The AGILE 7 logo is visible in the top right of the slide content. A copyright notice at the bottom of the slide reads: '© 2016 Human Systems Dynamics Institute. Use with permission.'

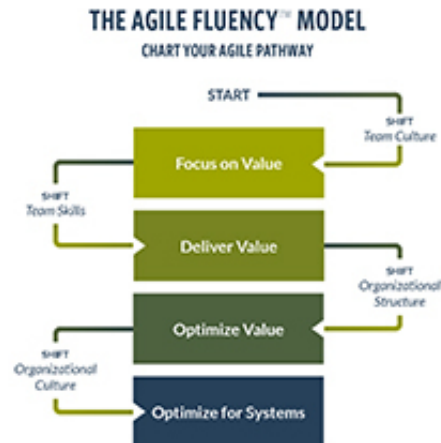

I had the pleasure of being interviewed by Deepa Kartha, CEO of Journyz, and talk about one of my favorite HSD (Human Systems Dynamics) methods, namely the Landscape Diagram. I use it to make better decisions in my career, work, and for my family. Click on the short video above to learn more!

Upcoming Events

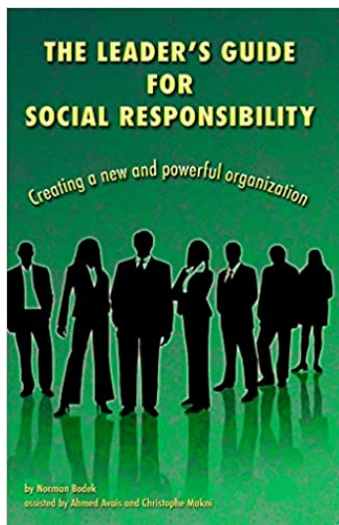

May 27

Powerful Team-Based Coaching

I'm being hosted by Agile Dialogue, Mississauga to present an introduction to the Agile Fluency Model and share my experience implementing it in my coaching engagements. The event is free and requires an RSVP [here](#).

Social Responsibility Book

www.socialrsp.com

I'm so proud of this work and collaboration! It's chock full of studies and practical advice that has taken Norman, Christophe, and me a while to gather over many nights and weekends.

If you would like a free copy of the book, reply to this email with your physical address and I'll get it shipped directly from the printer. The only request I have is for you to write a review for it on Amazon.
